Band Director Report:

-Thanks to parents for all the support, the more we have participating...the better.

-Special shout out to the field crew volunteers who are consistently keeping our field painted and ready for rehearsals!

-Thanks for everyone's patience and flexibility on the previous Friday's game....clearly not normal circumstances for us at home.

Tag Day!

-Funds collected are broken up by participation percentages from the Fine Arts Programs...so the more kids and parents we have helping out the more funding we can raise!

-SUG for Tag Day will be out soon. We are targeting to get drives and helper parents from ALL of the Fine Arts programs.

-Still need drivers, total time commitment is about 8:30 - 1 or 2 depending on the size of the neighborhood you canvas with the students.
